

Each year, Cargas selects a local non-profit organization as its charity of choice. The event provides employees, family, friends and members of the community the opportunity to get together and enjoy a night of food, drinks, music, as well as live and silent auctions. Local specialty food and beverages make for a magical evening and a wonderful opportunity to support a local non-profit.

The 2017 event beneficiary is The Jeff Musser Foundation. Their mission is to provide financial assistance to families with children battling cancer in our local community. A cancer survivor himself, Jeff found the most difficult part of his battle was watching other families with children face the financial challenges brought on by this type of fight. In 2002, he established the foundation as a way to help these families meet their most basic needs at a time they need it the most. To date, Jeff and the foundation has given away an astonishing \$800,000.

So, how can you help? The Cargas Fundraising Team is seeking donations from our local business community to be used as either silent or live auction items, along with general sponsorships for the event. This is a wonderful opportunity to showcase products or services from your company to approximately 250 guests during the evening, as well as recognition in our event program. If you are interested in participating in this year's event, please fill out the flip side of this form and return it to the noted Cargas Fundraising Team member.
